

Product Information

A PRODUCT OF THE VALVOLINE COMPANY A DIVISION OF ASHLAND INC.

Valvoline Val-Lith EP Grease

Description

Valvoline Val-Lith EP Grease is a multipurpose extreme pressure grease suitable for a wide range of automotive and industrial applications. For operating temperatures from 20°C to 100°C. Recommended for use in anti-friction bearings, water pumps, chassis fittings, grease cups, universal joints of passenger cars, trucks, busses and earth moving equipment. Suitable for the full range of bearing speeds encountered in electric motors and production equipment.

Advantages

- A smooth buttery lithium 12 – hydroxystearate grease.
- Rust and oxidation inhibited.
- Excellent mechanical and storage stability.
- Very good pumpability in lubricating equipment.
- Resistant to water washing.
- Good load-carrying properties.
- Compatible with ferrous and non-ferrous metals and all sealing materials.

Properties

Test	Typical Property
NLGI Grade	2
Worked Penetration @ 25°C 0,1 mm	265/295
Drop Point °C	185
Timken OK Load kg	21
Colour	Brown
